

## Guidelines for Weddings and Marriage Paperwork During the Pandemic

### 1. MARRIAGE PAPERS ALREADY SUBMITTED TO THE CHANCERY OFFICE:

- 1.1. As per our previous guidance, couples should have been advised by you that they must contact the Celebrant priest immediately to discuss any postponement due to the Coronavirus;
- 1.2. For those parishes who have notified us of postponed weddings, the marriage papers have been (or will be) returned to them;
- 1.3. For the remaining marriage papers - we will be processing them but, instead of forwarding them to the relevant Diocese, the original marriage papers will be sent direct to the couple, and an authenticated set sent to the Diocese. We will send a confirmation email to the relevant Diocese as well.

### 2. NEW MARRIAGE PAPERS:

- 2.1. Due to social distancing and civil restrictions, Cathedral House remains closed. The Chancery team are home-working and are now able to collect post from Cathedral House once a week. New marriage papers can therefore be sent to the Chancery Office, and we will send you an acknowledgement email when they have been collected. Before you submit any marriage papers, please ensure that the couple have contacted the Celebrant priest and the wedding is currently scheduled to go ahead as planned; please include written confirmation of this in your covering letter to us.
- 2.2. We are aware that some couples who have postponed their weddings are having problems obtaining refunds from reception venues, or claiming on the insurance, which is further adding to their disappointment and stress levels.
- 2.3. At this time of uncertainty, we can but reassure couples that we are doing our best to help them with arrangements, in line with the latest Church and Government guidance, for the health and safety of all concerned.

### 3. ALL WEDDINGS:

- 3.1. If the wedding is currently going ahead as planned: the couple can let the Celebrant priest know that the marriage papers have been processed, and that they will be bringing the original documents with them (or arrange to send them by post/DHL);
- 3.2. If the wedding is postponed:
  - 3.2.1. The couple will be advised to return the marriage papers to you, so that they can be amended or re-done as needed, when possible to do so.
  - 3.2.2. New forms will have to be submitted, including the Pre-Nuptial Enquiry Form and Supplementary Application Form. It will not be necessary to get

new baptismal certificates (unless required by another Diocese) or get new Statutory Declaration forms signed.

3.2.3. Whilst it remains the responsibility of the couple to ensure the civil requirements for marriage are fulfilled, we would suggest that parish clergy remind the couple that if the wedding is postponed (or the location changed) they should contact their local Register Office.

#### **4. WEDDINGS DUE TO TAKE PLACE IN YOUR PARISH THIS YEAR:**

The Government guidance regarding weddings is as follows:

##### **“1.16 Can weddings go ahead?”**

No, there's no change at this time - you cannot gather in sufficient numbers indoors to enable a wedding ceremony. We understand the frustration couples planning a wedding must be feeling at this time. We are keeping these restrictions under review and will ease them as soon as it is safe to do so. We will continue to work closely with faith leaders and local government over the coming weeks to go through the practicalities of doing so.

Marriages and civil partnerships under the special procedure for those who are seriously ill and not expected to recover, are taking place in some cases where it is safe to do so in line with PHE.”

This is correct as of 15th June 2020.

- 4.1. With social distancing likely to be in place for some time, our current advice is as follows:
- 4.2. Discuss with the couple the option of postponing their wedding until next year, when Coronavirus restrictions may have eased;
- 4.3. If the couple wish to continue their plans for a wedding this year, in accordance with the social distancing rules, and you are happy to proceed, the wedding should ideally be deferred for some months, when Government and Church guidance will be more clear. Please complete the marriage papers, and send them to the Chancery Office should any permissions/dispensations be required.
- 4.4. As it is not possible to get solicitors to sign the Statutory Declarations of Freedom at the moment we will accept marriage papers without these on the understanding that they will be submitted before the wedding takes place.
- 4.5. Please make sure that the couple are fully aware that:**
