Deepen your distinctive Catholic curriculum through care for our common home and engagement with the Sustainable Development Goals.

Support staff wellbeing through the life affirming and uplifting message of Catholic Social Teaching, including *Laudato Si'* and *Fratelli Tutti*.

Explore human relationships, rooted in human dignity, and the challenges of differing perspectives.

Inspire your students to put faith into action for the common good, with the knowledge, skills and attitudes to be active global citizens and leaders.

Support school reflection on the new school inspection requirements for an ambitious curriculum.

Enrich your broad and rich curriculum with activities, strategies and resources that support global learning and the big issues that connect us all.

Enhance the confidence of your staff and aspiring leaders in supporting the Catholic life of an outward facing school.

A focus on implementation means this supports working towards awards such as the Live Simply Award.
