**BIG QUESTION:** Does everyone want to be happy?

**“If we live in God’s love then we will have joy.” (John 15:9-11)**

God made us to be happy. He wants you to know how much he loves us. He wants us to love other people so that they can be happy. God wants us to be happy and have fun together. We are all His children. **Task: What makes you happy? Think about: Family, Friends, School, Toys, Sunshine, Rain, Animals, Clothes, Food...**
