**BIG QUESTION:** How can I make the right choices?

**If we live in God's love then we will have joy. (John 15:9-11)**

God gives us everything we need to be happy: Family, Love, Friendship, Healthy Body, School, Gifts and Talents. We are loved by God because we are all His children. Every day we need to make choices. We can choose what we play, we can choose what we eat, we can choose to do our school work. **Task: Think about the difference between making the right and the wrong choices. How do we feel when we make the right choice? How do we feel when we make the wrong choice?**

## Key vocabulary

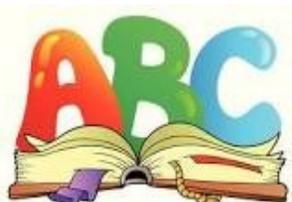

choice

right

wrong

God

love

**Task:** Look at these pictures. There is a choice to be made in each one. Talk to your family about what happens when we make the right or the wrong choice and how that makes us feel. How does it make other people feel? How does it make God feel when we make the wrong choice? What can we do when we make the wrong choice?

**Put it right and say sorry. Saying sorry makes you happy, your friends and your family happy and it makes God VERY happy.**

Healthy or unhealthy?

Tidy up or leave a mess?

**BIG QUESTION:** How can we make good choices?

**Task:** Make a choices chart with all the ways that you can make good choices.

Ask your family to encourage you each day to complete your chart and make the right choices.

Remember if you make any wrong choices you can put it right by saying sorry.
