## Stewardship of God's world

**BIG QUESTION:** How can we discover God's beautiful creation?

### God loves and cares for all of creation (Matthew 6:25-34)

The environment is God's gift to everyone. Creation and all created things are good because they are created by God our Father. **Task:** Talk with your family about the beauty of God's creation.

**Think about:** The sky—what is up there? The earth—our home, how different and beautiful it is  
The seas, oceans and rivers—think about how important water is for our lives.

### Creation Poem

Day one brought heaven earth and light.  
It must have been so very bright!  
Day two God made the clear blue sky.  
A place for many birds to fly.  
Day three brought land apart from seas.  
With all the plants grass and trees.  
Day four shone forth moon, stars and sun.  
The work of God was not yet done.  
Day five we see the fish and birds.  
God did all of this with just His words.  
Day six God formed all beasts and man  
To finish His creation plan.  
Day seven was especially blessed,  
A day for worship and for rest.
