

Year 2

Stewardship of God's world

BIG QUESTION: Who are God's gardeners?

Recycle

Think about our school caretaker, think about all the things they do to make our school environment safe, healthy and beautiful for us all, inside and outside school.

Think of all the things we can do to help our caretaker with their work of caring for God's world.

Think about who looks after your home, how can you help make your home and your outdoor area safe, healthy and beautiful? **Task:** Listen to the hymn All things bright and beautiful.

Year 2

Stewardship of God's world

BIG QUESTION: How can we celebrate the harvest?

Harvest is a time for saying thank you, to God, to each other, to farmers and all those who work so hard to give us food.

Task: Make a mask to represent different crops of food that you want to thank God for.

Look in your cupboards at home. Look at the ingredients on packets and tins and find out where your shopping comes from. How far has it travelled to get to you? How many people have helped to get your food to you?

Music Task:

Read the lyrics of the song Harvest for the World and listen to it on YouTube

All babies together, everyone a seed
Half of us are satisfied, half of us in need
Love's bountiful in us, tarnished by our greed
When will there be a harvest for the world

Gather everyman, gather everywoman
Celebrate your lives, give thanks for your children
Gather everyone, gather all together
Overlooking none, hopin' life gets better for the world

Dress me up for battle, when all I want is peace
Those of us who pay the price, come home with the least
Nation after nation, turning into beast
When will there be a harvest for the world?
