The Gospel of Mark,
we hear that
“He taught them
many things.”

The Walsingham House Team live the model life
advocated by Pope St John Paul II, Pope Benedict and
Pope Francis, who each expressed the deep truth that
“the best evangelisers of
young people are other young people.”

✠ ✠ “The people were like sheep without a shepherd.” ✠ ✠

Communities

In Fratelli Tutti Pope Francis said
“We can choose to cultivate
kindness”

We are all members of many
different communities -
in person and virtually.

As we go about our daily lives,
let us reflect on Pope Francis’ words.

St Bridget of Sweden Feast day 23rd July

She lived in Sweden from
1303 to 1373 and founded an
order of monks and nuns
called the Bridgettines after
the death of her husband. The
order was expected to give
away any surplus to the poor
but they were allowed as
many books as they wanted.

She made a pilgrimage to
Rome in very difficult
circumstances where she lived
the rest of her life. She was
much loved for her kindness
and good works.

One of her daughters is also
a saint.
