

STEP INTO THE GAP

A GAP YEAR WITH A DIFFERENCE

Step into the Gap is a fully funded year of volunteering with CAFOD in a UK placement with immersive and interactive experiences, developing leadership skills while learning about global justice and inspiring others to use their faith in action.

In partnership with our UK placements, Step into the Gap offers you the opportunity to spend a year in a retreat centre or school chaplaincy, where you will work alongside the Catholic community and others to bring about a more just world.

You can inspire and influence a generation of younger people, and others, to make the link between faith and acting for the poorest and most marginalised.

This programme offers you the opportunity to gain varied work experience, develop a range of skills and deepen your knowledge and experience within the context of your faith

Within this year placement you will also work alongside CAFOD head office in London, attend retreat weekends and be invited to partner events in England and Wales. You will also attend a learning networking visit with other partners in the global Catholic Church in Rome. The trip also includes a retreat weekend in Assisi, inspired by Pope Francis' reflections in *Laudato Si'*.
