

Looking Forward

Looking Forward in Love

In the Gospel of Luke we hear:
‘The kingdom of heaven is at hand!’

**What are you doing to build the kingdom?
What are your unique gifts which you can
use to transform society?
How can you show leadership that is
transformative?**

**In the lead up to Christmas what are you
doing to make a difference to yourself and
others?**

St Ambrose: 7th December

St Ambrose was a 4th-century Bishop of Milan. He was a theologian who also produced hymns and was famous as a preacher. He is considered to be one of the four doctors of the Church as a result of his works.

He was very concerned about social justice, and the obligation of the rich to look after the poor.

Due to an event in his childhood, when a legend suggests that a swarm of bees landed on his face whilst he lay in his cradle, he is the patron saint of beekeepers as well as the patron of Milan. His feast day is celebrated on 7th December.

“Young people must say
to the world:
to go with Christ is good.”
(Pope Francis, Palm Sunday 2013)
