## Looking Forward AS STEWARDS

Pope Francis points out that  
“As stewards of God's creation,  
we are called to make the earth  
a beautiful garden for the human family.  
When we destroy our forests, ravage our soil and  
pollute our seas, we betray that noble calling.”

It's often hard to see what one person can do,  
but if we each do one small thing  
we can initiate greater change.

What can you do to look after our world?

In Matthew's Gospel,  
Jesus reminds us that  
“Many are invited.”

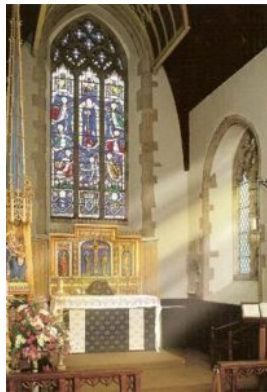

**DO NOT BE AFRAID. I HAVE CALLED YOU BY YOUR NAME.**

### PLACE OF PILGRIMAGE : WALSINGHAM

The Slipper Chapel was built  
in the mid-14th century, and  
dedicated to Saint Catherine of  
Alexandria.

Just as on Mount Sinai, Moses  
took off his shoes because he  
was on holy ground, so the  
pilgrims to England's Holy  
Land used to remove their  
shoes here and walk the Holy  
Mile into Walsingham.

### ST MARGARET MARY ALCOQUE : 16th OCTOBER

She was a French nun  
who is greatly recognised  
for her devotion to the  
Sacred Heart of Jesus. She  
initiated the practice of  
the Holy Hour of  
devotion and was  
canonised in 1920.

The only time that we are allowed to look down  
upon others is when we are offering to  
help them up.
