

What Good News Day

Catholic Teaching in the world of AI

In his recent encyclical, *Magnifica Humanitas*, Pope Leo has written: 'In the era of artificial intelligence, when human dignity is threatened by new forms of dehumanization, ours is the pressing duty to remain profoundly human. We must lovingly safeguard the grandeur of humanity bestowed upon us and revealed in its fullness in Christ, the splendour of which no machine can ever replace.' (n.15)

Fr Hugh MacKenzie is a priest of the Diocese of Westminster, and a chaplain at Westminster Cathedral. He has an MSc in A.I. He works as chaplain in St John's Hospice and to the Cathedral Choir School.
